

SUMMER BAND LESSONS

This summer, all students, grades 5-12 have an opportunity to take lessons at one of two locations. Lessons will be a continuation of instruction given during the previous school year. Students will be working out of their lesson books. Instruction on all instruments, from beginning to advanced, is available from each instructor at each location.

Summer instrumental music lessons will be offered during the month of June. Each student will receive four, 30-minute lessons in groups of not more than three students. There is a \$35 fee payable to Ankeny Community Schools to cover the cost of the lessons. This fee is non-refundable.

Registration Deadline is Friday, May 9th!!!!

Please return this form with a check for \$35 made out to Ankeny Community Schools to your band director by May 9th.

There will be NO late registrations accepted after Friday, May 9th!!!!

Please return the registration form promptly so that the instructors can have their schedules planned by the end of the school year. Schedules will be sent home on or before the last day of school.

Don't let that horn gather dust all summer! Don't pay rental on a horn that doesn't get used! Stay ahead of or catch up to your classmates in preparation for the next school year. Use the summer to grow musically and have fun playing your instrument.
